INFORMATION

All information on application form must be completed in full. It is to be typed or printed legibly in ink.

PRIVACY AND CONFIDENTIALITY

At Collège Boréal and Canadian Institute of Correactology (CIC), we are committed to protecting the privacy of our applicants to the Correactology® Practitioner Program. Collège Boréal and CIC adhere to all applicable federal and provincial legislation pertaining to the collection and use of data and information. Extensive operating policy measures are taken to ensure security and confidentiality. We will not disclose your information to a third party without your consent.

FEE

Upon receipt of enrollment materials, the completed application form, accompanied by a \$500.00 non-refundable application fee should be forwarded to the **admissions office**.

OFFICIAL TRANSCRIPTS AND MCAT SCORES

The applicant's official transcripts and MCAT scores are to be sent to the **admissions office** or e-mail at **fc@collegeboreal.ca**. The MCAT measures the candidate's factual knowledge of the sciences, reading proficiency and problem-solving skills. The applicant can also choose to write CIC's entrance exam instead of submitting MCAT scores. It also helps the Admissions Committee learn more about the candidate's aptitudes and suitability for a career in Correactology® Health Care. Transcripts must be received directly from the sending institution to be official.

LETTER OF RECOMMENDATION

A letter of recommendation is required from a licensed Correactology® Practitioner. Contact the admissions office if you are unable to obtain such a letter.

RESPONDENTS

The applicant must have **three (3) respondents** who, by virtue of their occupation and/or credentials, would be considered judges of your professional potential. These individuals must be sent confidential evaluation forms to complete and return directly to the **admissions office** or e-mail at **fc@collegeboreal.ca**.

CRIMINAL RECORD CHECK

Applicant is asked to provide a criminal record check with vulnerable sector screening.

INDIVIDUAL OBSERVATIONS

Short essays should summarize your educational background, awards and honours you may have received, your work experience, your personal and professional interests, how you were introduced to the Correactology® Health Care, summarize the reasons for wishing to become a Correactology® Practitioner and what are your goals upon graduation.

WAIVER

Carefully review and complete the waiver (see last page). Remember to sign and date the waiver.

ANALYTICAL CRITIQUE

You may be responsible to read and analytically critique reading(s) assigned by the Canadian Institute of Correactology (CIC). The critique must include an analysis, discussion and a personal viewpoint of ideas brought forth in the required readings. Once the application package is received and reviewed, the selection committee will contact you if you are required to submit the analytical critique.

INTERVIEW

A successful personal interview is required for all applicants. Arrangements for an interview will be made with the admissions office. Off campus interviews may be conducted in certain circumstances.

PHYSICAL QUALIFICATIONS FOR ADMISSION

The following are physical qualifications that are essential for participation in the Correactology® Practitioner Program at the CIC and Collège Boréal. All students admitted must individually be able to perform satisfactorily in the classrooms and centers. The following physical qualifications are defined:

- The individual must have the physical and mental abilities that provide for successful participation and completion of the curriculum.
- A student must be able to speak, to hear and to observe in order to elicit information from patients.
- To be able to notice any changes and any non-verbal communication that a patient may elicit, as well as the ability to identify movement patterns obtained with the Correactology® Health Care.
- Tactile perceptiveness is essential as it relates to identifying and correcting specific levels and patterns related to the ailments/malfunction/discomfort.
- The applicants must have the ability to perform the Correactology® Health Care test and corrections.

FINAL SCREENING OF CANDIDATES

Possible actions of the admissions committee are:

1. Conditional acceptance

An applicant is granted conditional acceptance when the majority of prerequisites are documented. The remaining terms of the conditional acceptance must be documented by the fourth week prior to matriculation. After that time, the applicant is re-evaluated and is no longer considered an enrolled student for that upcoming semester if the terms of the acceptance have not been satisfied.

The steps for Conditional Acceptance are as follows:

- Application and Questionnaire
- Application Fee
- Official Transcripts from Sending Institution
- Police Check with Vulnerable Sector
- Recommendation from a licensed Correactology® Practitioner
- Three Letters of Reference
- Interview
- Entrance Exam

2. Full acceptance

Once the applicant has successfully completed the written and oral requirements as outlined in the Application Procedure Guide, he/she will be asked to attend a meeting to discuss conditions on tuition, starting date and class schedule. If the applicant meets the proposed conditions, he/she will be granted full acceptance to the Correactology® Practitioner Program. The steps for Full Acceptance are as follows:

- Meet all requirements of Conditional Acceptance
- Attend Orientation Meeting
- Submit a Letter of Credit

- Submit a Certified Cheque for Registration Fee
- Executed Agreements

INTERNATIONAL STUDENT APPLICATION

An international student seeking admission to the CIC must provide all the following documentation in addition to the aforementioned admission requirements:

- A proficiency in English is required for all applicants;
- Submit evidence of having the financial resources or funding necessary for commitment to complete the Correactology® Practitioner Program;
- Meet the equivalent educational requirements as students matriculating from Canada;
- Submit official transcripts to the admissions office for evaluation.

It is recommended that the student submit all records at least **SIX MONTHS** prior to the requested date of admission.

WAIVER

I have read and fully completed this application truthfully and acknowledge that any falsehoods could lead to an entrance denial or dismissal from Collège Boréal and CIC at any time during my studies.

Yes No

Collège Boréal and CIC have adopted physical qualifications that have been outlined in the admissions procedure guide and that are essential for participation in the Correactology® Practitioner Program. I agree that I have read and fully understand these qualifications and that I have the ability to satisfy all these requirements.

Yes No

I further understand that as a student at Collège Boréal and CIC, I will be required to pay all tuition fees and other charges due to the institute in accordance with the terms and policies set forth by the institute. If the Collège Boréal and CIC are required to refer a delinquent account for collections or enforcement, I agree to pay reasonable attorney's fees plus any and all court costs. I understand that no transcripts or records (including certificate and license) will be released until my debt to the institute has been settled.

Yes No

Finally, I understand that every Correactology® Practitioner is part of a larger team, sharing ideas, working together, all for the good of humankind.

I hereby certify that the information supplied in this application is complete and correct.
